APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion place of use of a portion of the waters of an underground source as heretofore granted under Permit 34814, Certificate 9511 is issued subject to the terms and conditions imposed in said Permit 34814, Certificate 9511 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 63467 and 63468 shall not exceed 488.0 acre-feet annually.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.34 cubic feet per second, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before:

March 17, 1999

Proof of completion of work shall be filed before:

April 17, 1999

Application of water to beneficial use shall be filed on or before:

March 17, 2000

Proof of the application of water to beneficial use shall be filed on or before:

April 17, 2000

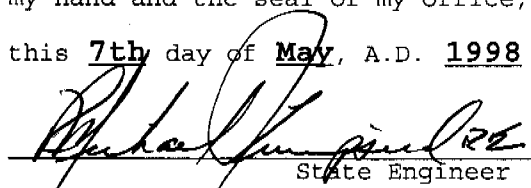

Map in support of proof of beneficial use shall be filed on or before:
